

Grid Assessment-KEY

Identify the latitude and longitude coordinates for each of these symbols. Be sure to label them correctly. Then, create your own symbol on the grid. Draw your symbol and write its coordinates for #6. On the grid, label the lines that represent the Equator and Prime Meridian.

- | | | |
|----|-------|--------------|
| 1. | | 4°N, 3°W |
| 2. | | 2°N, 4°E |
| 3. | | 1°S, 4°W |
| 4. | | 4°N, 5°E |
| 5. | | 5°S, 1°E |
| 6. | _____ | _____, _____ |
